

CAMPER STORE MONEY FORM

to be completed by the parent or guardian

The Wolf Ridge store is available at designated times for campers to purchase camp wear, souvenirs, games, science kits and books.

Starting this year, summer campers are **NOT** allowed to bring money to their session in order to discourage loss and/or potential theft. All campers/parents will deposit a predetermined amount of spending money via credit card into their camper's account that can be used during the camper's session. Purchases are deducted from their store account and a receipt of purchase will be made available to the parents at check out or mailed to the address provided.

Sample Store Items & Costs
