

Dorm Stewardship and Cleaning

Wolf Ridge's mission includes sharing with our guests the concept of stewardship. Wolf Ridge strives to "walk the talk" and we have programs and policies that work towards this goal such as recycling and kitchen patrol, the Conservation Challenge and our suggestion that guests bring their own water bottle and coffee cup.

We ask our guests to clean and tidy up their sleeping rooms and common areas before departure. An additional cleaning fee will be applied for groups that don't clean up after themselves.

Sleeping rooms

1. Sweep tiled floors, remove all personal items, and place garbage in the waste bin.
2. Pick up the carpeted sleeping area, removing all personal items and garbage, with special attention to under the bed.
3. Remove all personal items and garbage from cubbies and tables.
4. Look under the mattress for any items left behind.
5. Recyclables removed and sorted at the recycling stations in front of the lodges.

Common Areas

1. Sweep tiled floors, remove all personal items, and place garbage in the waste bin.
2. Pick up carpeted areas, remove all personal items, and place garbage in the waste bin.
3. Remove all personal items and garbage from shelves and tables.
4. Return all furniture to original placement.
5. Recyclables removed and sorted at the recycling stations in front of the lodges.
