Lodging

There are 2 lodges at Wolf Ridge. **Mac Lodge** and **Summit Lodge**. Both lodges offer day rooms for group meetings and are divided into 4 hallways or sections. Dorm rooms sleep 4-8 and have a private bathroom and shower.

Both lodges contain coin-operated laundry facilities, a courtesy phone for outgoing calls, and a health room/health cart.

Personal storage is Limited. Plan on living out of a pack or suitcase, which can be stored under the bed. Participants must bring their own bedding (sleeping bag and pillow) and toiletries.

We suggest you put your student's name in their belongings. We do our best to return items if informed of loss. You will be asked to pay for return postage.

Contact while at Wolf Ridge

Your student will be very busy at Wolf Ridge, learning and exploring outside and will not be accessible by calling our office. In case of an emergency, and the need to get hold of a participant at Wolf Ridge, you may call 218-353-7414 or 1-800-523-2733 (MN,WI). From 8am to 8pm your call will go directly to the office. After 8pm follow the voice messaging system to reach our on-site staff. Please do not use the emergency voice mail option to deliver a non-emergency message. Messages that are not emergencies will be delivered at the next meal.

Wolf Ridge cannot print and deliver emails sent to your student. US Mail is delivered each evening at dinner. Please address mail to the student, and **include the SCHOOL'S name in the address**. Mail should be sent a minimum of a week prior to your stay. Mail arriving after departure will be returned if the return address is provided.

Dining

Meals are served cafeteria style, and much of our produce comes from the Wolf Ridge farm. Students participate in Kitchen Patrol (KP) during their visit. KP arrives early for the meal and eats. After eating, KP assists with serving the food and cleaning up. At the end of KP, students get a special treat. Students love KP and will even ask if they can do it multiple times per trip!

Please contact us at FoodService@wolf-ridge.org if your student's special dietary need is medically subscribed (such as celiac or diabetes). Otherwise, please let the group leader (teacher) know about any dietary restrictions.

Dressing for classes

Wolf Ridge's climate typically is four weeks different than the Metro area. Fall comes earlier and Spring comes later. All Wolf Ridge classes spend time outside. Please see our packing list for suggested outdoor gear. Dressing for success in the Northwoods means staying dry and warm!
