

Group Responsibility

In order to assure an appropriate standard of supervision, each school is expected to provide no less than 1 adult chaperone for each 15 students attending Wolf Ridge. Formal groups, schools, and others are required to have a sexual abuse policy, which defines group policy and procedure while attending Wolf Ridge. Wolf Ridge staff is required to report any indications of sexual abuse that they may observe while serving as instructors. Wolf Ridge also observes a "Two-person Rule", where no adult is left alone with any one child. Students must be under adult supervision at all times while at Wolf Ridge, including the dorm. No corporal, or physical punishment is permitted at Wolf Ridge.

Daily Responsibilities

Science Center Store

20 students at a time will be allowed in the store and an adult from your group must be present to monitor students. You may be scheduled at the same time as another group. Typically, scheduled store times are before lunch (11:45-12:15) and before dinner (4:15-5:00). Please indicate your interest in the store on the Group Information and Schedule Form. You can shop for some things ahead of time through the online store.

Dorm Supervision All dorm supervision is the responsibility of the adults who accompany each group. Students are not allowed in the dorm at any time without adult supervision. You are encouraged to schedule some adults to eat meals early (with KP/RP) if you wish to allow students to return to the dorm directly after meals.

Kitchen Patrol (KP)

Each school must provide kitchen patrol helpers (KP). The ratio is one helper for every 15 people in your group; a group of 150 is required to provide ten helpers for each meal. One adult is required to accompany student kitchen patrol. Kitchen patrol helpers should arrive at 7:00 am for breakfast, 11:45 am for lunch, and 4:45 pm for dinner. They will eat first, and then help serve food, pour drinks, and dry dishes. At the end of each meal, KP will get a special treat. Most students love doing KP, and it should not be used as a disciplinary action. Please note KP helpers are required to remain until 8:15am for breakfast, 1:15 pm for lunch, and

6:15 pm for dinner.

Recycling Patrol (RP)

During RP, we ask that a recycling team from your group sort and deposit the recyclables at the outdoor recycling platform located by each dormitory. Students and adults participating in RP eat early and then take out the recycling during the normal meal time.

Daytime Class Group Responsibilities

Adults, both teachers and chaperones, are encouraged to attend Daytime classes instructed by Wolf Ridge staff. **We suggest a minimum of one adult in each class.** More are welcome.

Adventure Ropes Course

3 adults are required to run the Adventure Ropes Course. 2 of these adults **MUST** be prepared to go up in the towers.

Indoor Rock Climbing Course

3 adults are required for the supervision of the belayers in Indoor Rock Climbing. If this isn't possible, the class can still run with only 2 adults, however, only four of the six climbs will be in use at a time.

Evening Class Group Responsibilities

If your group is scheduled for Indoor Rocks, Adventure Ropes or Star Lab, your liaison will teach that class. If your liaison is not scheduled by Wolf Ridge for one of the above classes, they are available to teach one of the 6:30-8:00 pm evening activities or lead a Campfire. Astronomy, if scheduled, is always taught by your liaison.

Evening Activities

Your staff is responsible for all of the other 6:30-8:00 pm evening activities. Your liaison will set the classroom up, but instruction and take down are your responsibility. Lesson plans are included in the kit that will be provided for you, and there are some instructional videos on our [YouTube channel](#). Classes that are your responsibility are noted on the schedule as *"taught by group"*.

Evening Programs

Some adults are required to attend the 6:30-7:15 pm naturalist evening program and to provide adequate supervision of their students.

Campfires

Your staff is responsible for leading Campfires, be they 8 pm or 9pm. Your liaison will set up the campfire for you.
