Starting in 2019, the Minnesota Department of Transportation (MnDOT) is working closely with the city of Duluth to improve traffic flow on I-35.

SUMMARY OF WORK

Replace 35 bridges and reconstruct I-35/I-535/Hwy 53 interchange to improve safety by:

- Providing a new conventional design
- Relocating all exits and entrances to the right side of the roadway
- Improving merging sight distance and eliminating merge conflicts
- Eliminating weaving problems near the interchange
- Providing lane continuity for through I-35 traffic

IMPACT ON PICK UP/DROP OFF

This may cause delays in arrival and/or departure times from camp. While we don't know the official impacts, we encourage you to use Google Maps or the MnDOT Traffic Website at <http://www.511mn.org> for more up-to-date information on time delays and construction information,

The bus leaves from Wolf Ridge at 2:00 PM on Friday afternoons. Please understand that we do our best to watch the traffic conditions. With this in mind, we have altered our drop off times on Fridays and will stay in contact with parents/guardians if they are altered greatly from those new times.
