

Wolf Ridge School Scholarship Application Form

We are happy to be able to offer scholarships for schools that need additional funding to be able to visit Wolf Ridge. The information below allows us to determine which fund(s) are most applicable based on your needs, your timing, and the funds available to us at that time.

Eligibility: This tends to be based on a school's free and reduced lunch count and funders' requirements. However, one-time support is provided on occasion with adequate documentation of an unusual financial challenge.

Submission of Application: Applications are considered on an ongoing basis. To be considered please **submit your application at least two months prior to your trip.**

Return applications electronically to: scheduling@wolf-ridge.org

Notification: If funded, you will receive email notification regarding the amount and type of support awarded. You will then be asked to formally accept via reply email. Support routed through Wolf Ridge will appear as a credit on your invoice following your Wolf Ridge stay.

Reporting: Recipient schools are required to provide a report that includes 3-4 photos with accompanying stories describing the value of the Wolf Ridge experience to their students. We will send you a template you can use, or you can format your own report. **The report is due no later than two months after your date of departure.**
